WELCOME TO  
THE NEW CAPITAL

KHALED  
SABRY  
HOLDING

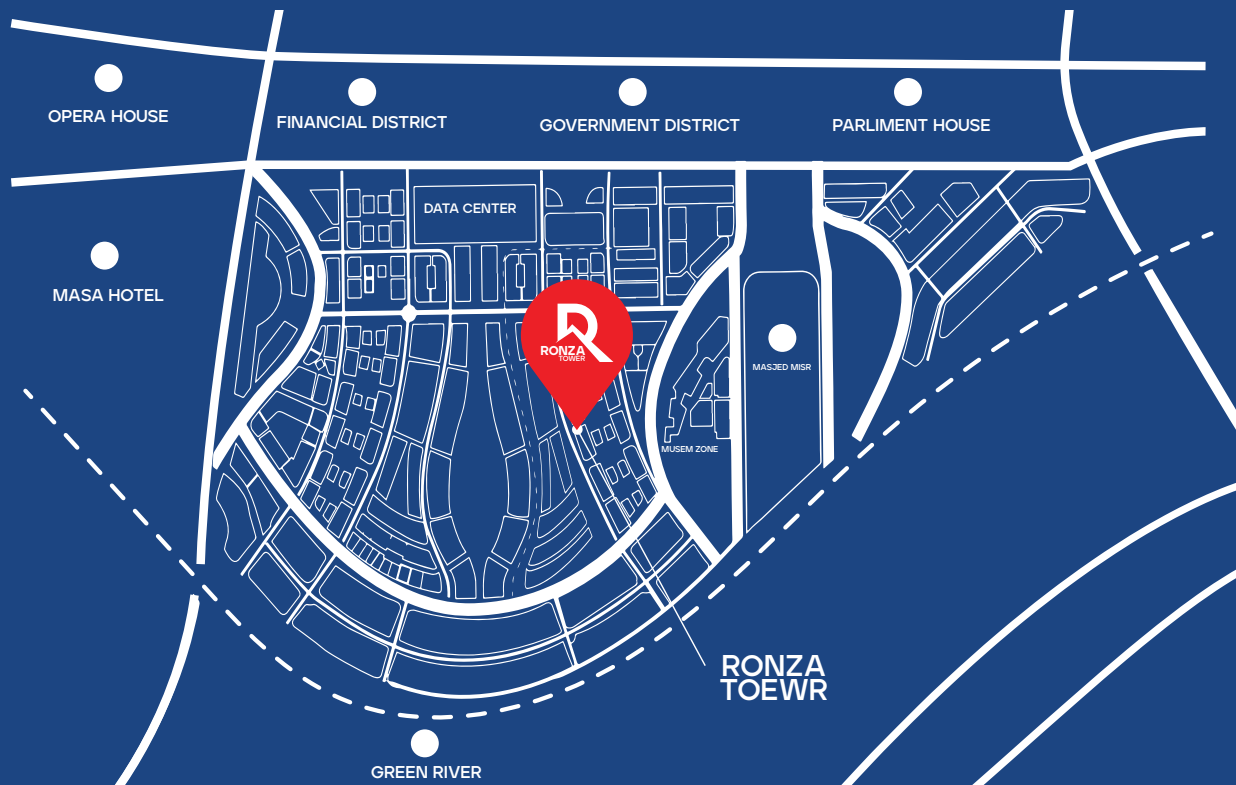

Is Located in one of the most unrepeatable locations in Downtown.

Ronza Tower is located on a main street, 3 corners, a park larger than 4 acres and next to the Masjid Masr.

The site of the project guarantees a great foot traffic for all commercial units, the location of the administrative and hotel units, as the project enjoys a direct view of a garden larger than 20,000 Meter, which will be one of the most distinguished project facilities in the city center.

Ryan Tower is a contemporary interpretation of ultimate integration, designed to combine smart work, luxury living, top grade hospitality and non-stop entertainment under one seamless roof. Expertly master planned on 3,000 meters of land, the mixed-use development proudly rises in the heart of Cairo New Administrative Capital's CBD to introduce an iconic 13-floor tower where everything you can possibly imagine finds you.

From fully-finished medical clinics, technologically advanced administrative offices and exclusive residential units to a spirited commercial district, an outdoor plaza and an elegantly-appointed hotel, Ryan Tower is all you need to unlock limitless possibilities in the booming capital business district.
