

MOONREAL

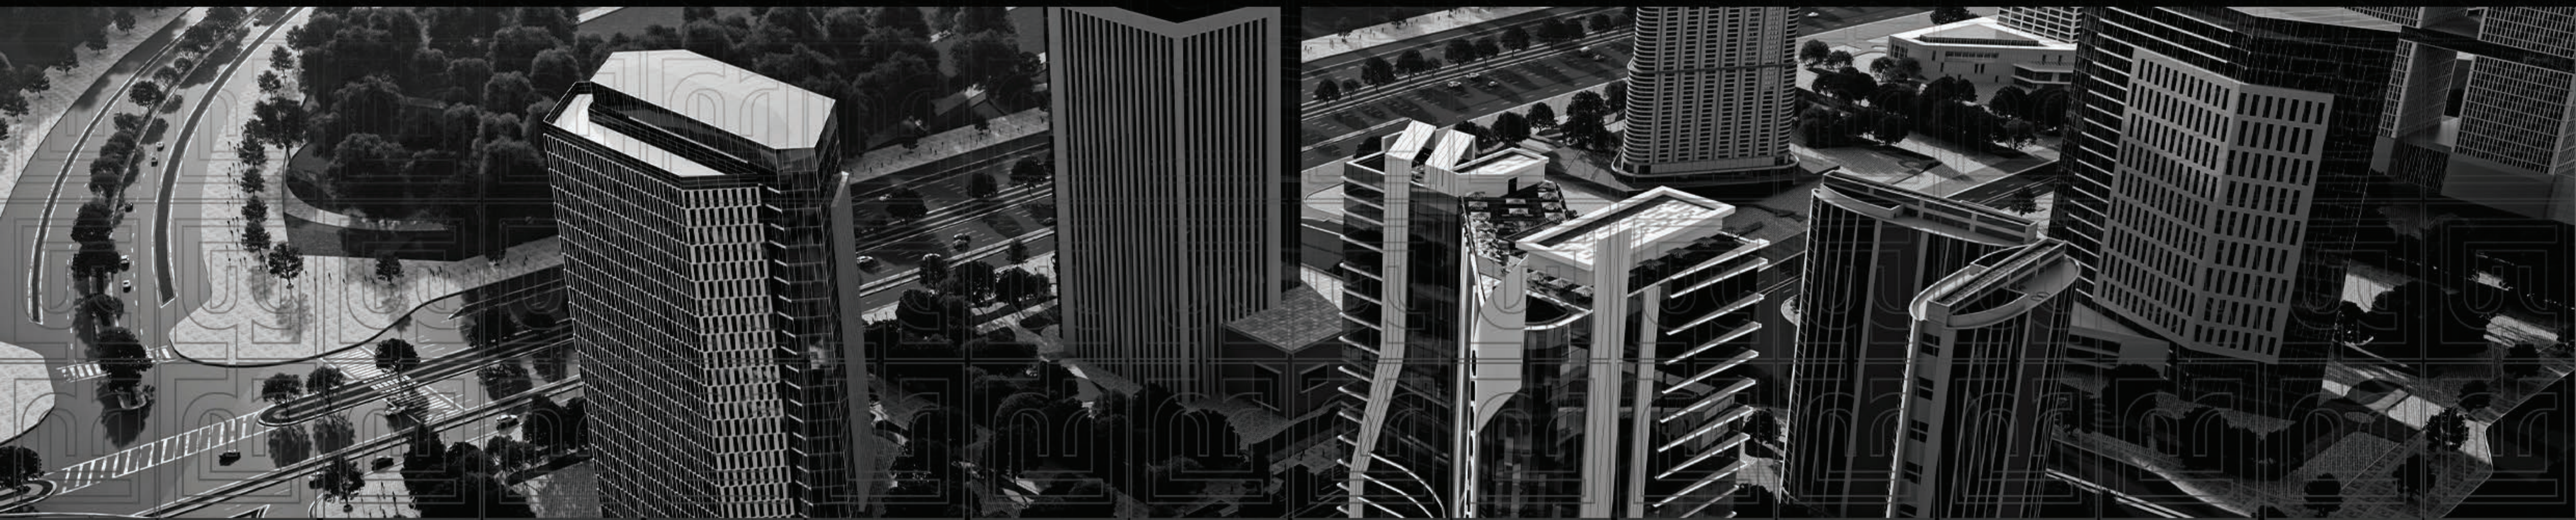

TOWER

DEVELOPED BY:

ABOUT

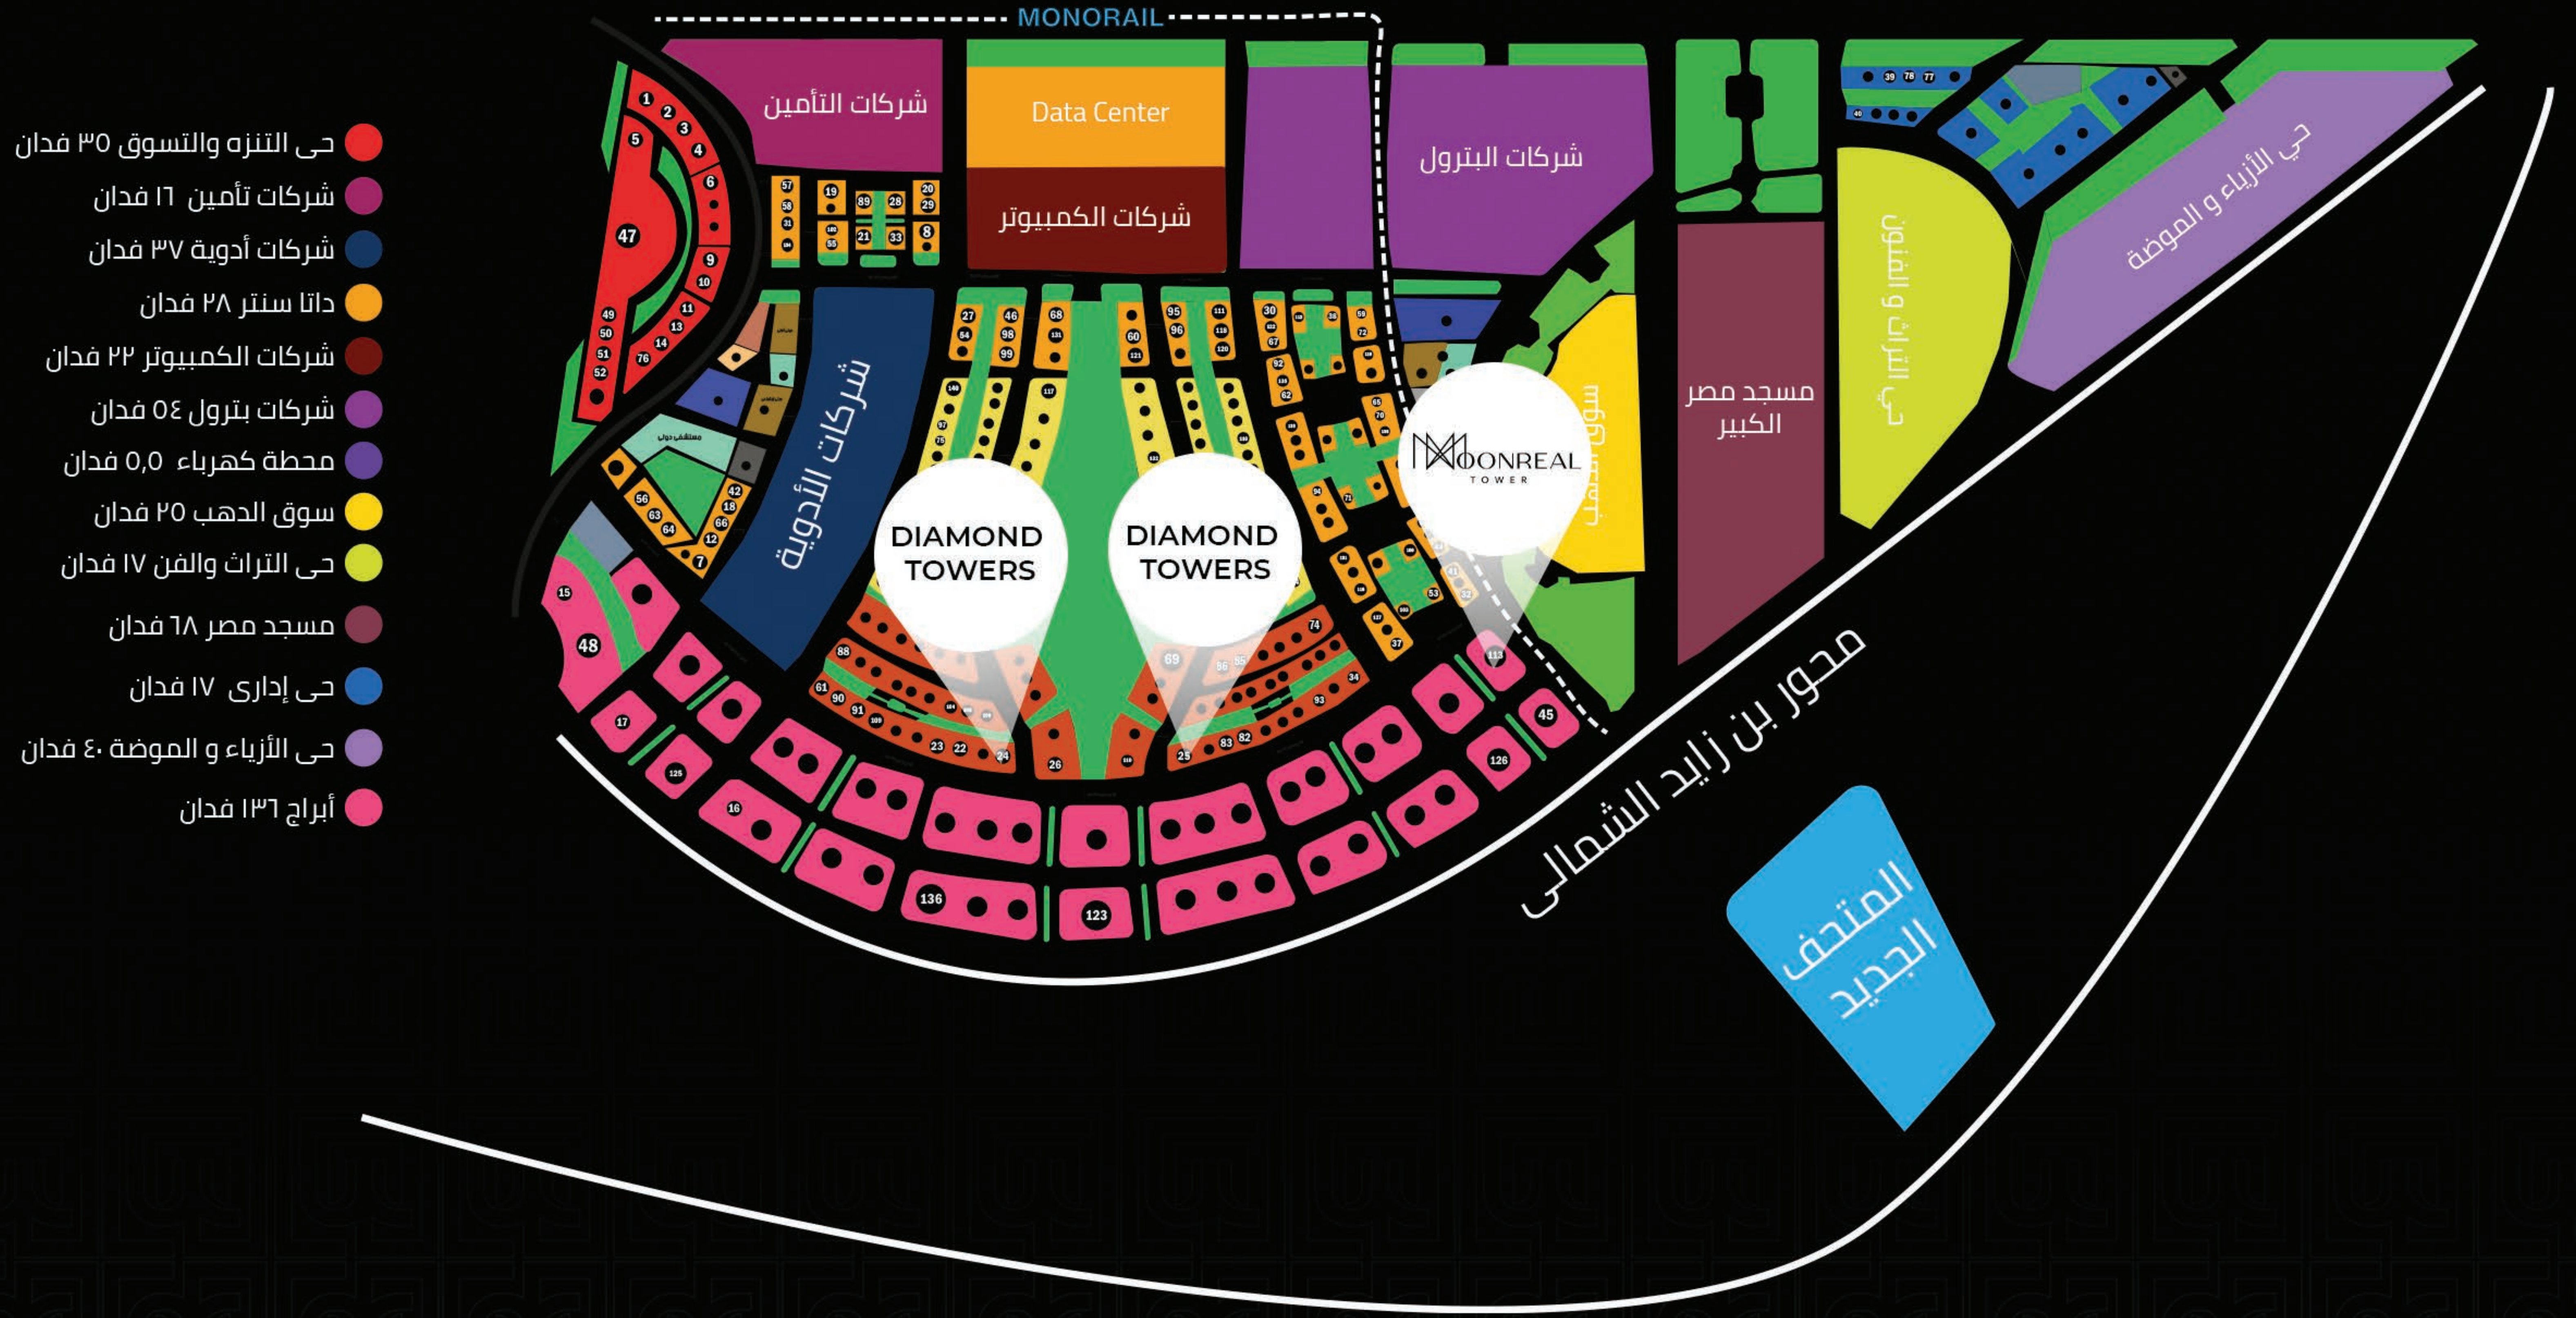

Emaar Rezk Group Developments was founded back in 2005 by Mr. Mohamed Rezk and it is one of the leading Real Estate marketing entities, specifically in North Delta. Initially, we were introduced in the Egyptian Market with Rezk Shipping company for transferring goods from and to Egypt. Afterwards, Rezk's timper for woods importing and exporting in Damietta. Eventually, with Emaar Rezk Group Developments we launched our first project in Ras El Bar, City Life Compound with our partner "Housing and Development Bank". ERG has about 230 residential units that have been successfully delivered to their owners in Mansoura, Ras el bar & Damietta. The Moonreal Tower is ERG's third project at the New Administrative Capital.

OUR LOCATION

- Souk El-Dahab is the first specialized jewellery project in gypt,dedicating 8,300 m2 to a state-of-the-art mall inspired by the World Gold Market.
- Masjid Misr is one of the largest mosques in the world, with a capacity for 107,000 orshippers. Its minaret will reach a height of 140 meters.

- The New Museum is set to have two floors and will be established on an area of 8,500 square meters, housing the main exhibition hall and an assembly of galleries. Besides all the previously mentioned iconic places, it also overlooks Al-Massa Hotel, Ministries, and Banks.

DESIGN PRESPECTIVE

The planning for a construction project begins with the generation of concepts for a facility which will meet market demands and owner needs. Innovative concepts in design are highly valued not for their own sake, comfort or convenience as embodied in a well-designed facility. However, the constructor as well as the design professionals must have an appreciation and full understanding of the technological complexities often associated with innovative designs in order to provide a safe and sound facility
